Thanks for choosing Sheboygan County as your destination or home.

We are extremely proud of our community. Opportunities abound for our visitors and residents. World class golf, world class resorts, a world class lakefront, and a world class workforce are just a few of the things Sheboygan County can lay claim to. Couple those items with being ranked the 13th safest metro area in the country, the 7th most financially fit metro areas under 200K, and one of the most bike friendly areas in the State and there is no wonder why we are so proud.

We hope you enjoy your time in Sheboygan County!
